HTPA MEMBER BENEFITS

LIABILITY INSURANCE

Protect your healing practice with liability insurance. Liability coverage is specifically designed for energy practitioners and their practice. This individual (one person) coverage is tailored to cover students, practitioners and instructors. HTPA offers an annual policy that renews year-to-date. United States residents only. Explore insurance options at www.HTProfessionalAssociation.com. (Insurance Level Membership required)

ENERGY EDUCATION

Advanced energy education events and resources from knowledgeable energy medicine professionals to deepen and expand your energy healing practice and access recordings. The monthly Healer Development Series is an Energy Education program, focused on specific topics such as anxiety, depression, trauma, etc. and how to use Healing Touch to support clients with those issues. These events are well-attended as our members find these extremely helpful and valuable. (These are Energy Education events that are free for HTPA Professional Members, \$25 for Support and Community Members, and \$50 for the public/non-members). [Value of \$50 per program]

BUSINESS SUPPORT

Business programs and resources, such as marketing and technology support, to grow your energy healing business and access recordings and articles. (Professional Level Membership required) [Value of \$50 per program]

CERTIFICATION HOURS

Take advantage of the hours of Energy Education and Business Support recordings on our website to count towards your Healing Touch Certification continuing education hours. (Professional Level Membership required) [Value of \$50 per program]

MASTERY COURSE

Take the complementary Mastery Course to help cultivate a bridge to creating a professional practice. This course features written and video tutorials with all of our best practice advice, time-saving tools, money-saving tips and detailed instruction on growing your spiritual practice. You'll get step-by-step instructions on how to start and grow your practice. (Professional Level Membership required) [Value of \$650]

SELF-CARE PROGRAMS

Access self-care practices and meditations to support you. Expand Your Network: Exploring Self-Care Modalities offers presentations by knowledgeable practitioners on other self-care modalities that you can use for your own self-care and for client referrals. (Professional Level Membership required) [Value \$30 per program]

VIRTUAL CHAPTER

Energy-based presentations every 1st Tuesday that are recorded and round table discussions or meditations the 3rd Tuesday of every month so you can grow and connect with your healing community. (Community Level Membership required) [Value \$80 per month]

HTPA MEMBER BENEFITS

VIRTUAL BOOK CLUB

Meets every 3rd Monday for a rich discussion on the book of the month to support Level 5 reading requirements, and so you can share your wisdom and connect with your community. These meetings are recorded. *(Community Level Membership required) [Value \$30 per month]*

MEMBER SPOTLIGHT

A recorded interview with the HTPA Community Director and an opportunity to hear HTPA members' Healing Touch journey as well as how they are using Healing Touch in their practice, the exciting things they are working on now, and tips you can use in your practice. You have the opportunity to be featured in the Member in the Spotlight which is a great way for you to get in front of the HT community and help build your network and client base. *(Community Level Membership required) [Value of \$15 per interview]*

LOCAL CHAPTERS

Join a local chapter and learn about practice groups and community events
(Open to all HTPA members)

INSTRUCTOR-LED PRACTICE GROUPS

Offered monthly for Levels 1, 2 and 3. Instructors provide a technique review and participants have the opportunity to practice the technique under the guidance of the instructor and ask questions in order to gain more confidence in administering Healing Touch techniques. This is a great way to continue to practice all of your Healing Touch techniques and have connection to the HT community. *(Free for all HTPA members) [Value of \$40 per group]*

GRANT FUNDING

Apply for Exhibition or Service to Military Grant funding to exhibit at local or national conferences and showcase your practice and skills events *(Open to all HTPA members, HT Level 3 and higher) [Value of \$370 per grant]*

TOGETHERNESS GROUP HEALINGS

An opportunity to gather the love and light that we are, ground and center ourselves through a guided meditation, exchange Healing Touch treatments and participate in a group healing meditation where we send healing love and light to those in our community that have requested support. *(Support Level Membership required) [Value of \$30 per group]*

LIBRARY OF RECORDED PROGRAMS

Many of our programs are recorded and available on the HTPA member portal. So, joining or renewing as a member today will ensure you have access to the library of over 130 past events as of April 2023. This value continues to grow every month because we offer usually eight (8) on-going programs a month. *[value of over \$265/month]*

HTPA MEMBER REFERRAL PROGRAM

Referral Program

their application

Earn \$10 credit for
each referral on
your HTPA account

Refer and Earn \$10!

We are always interested in serving more Healing Touch practitioners and students and giving them the opportunity to access energy education, business, and community support, while having a voice and a means to actively participate in the future of Healing Touch. If you love HTPA's mission as much as we do, we'd appreciate you spreading the word!

For every referral you make to HTPA that results in a Professional Level Membership purchase, you'll earn a \$10 credit in your HTPA account to use towards your membership renewal fee or any HTPA program or event.

It's easy! Just have your referrals enter your first and last name in the "Referral By" space on their HTPA professional member application at www.HTProfessionalAssociation.com and we will add the \$10 credit to your HTPA account. Thank you for your continued support!
